LA Fashion District Board,

Thank you to those of you who were able to attend the Board Workshop this morning. I know how valuable everyone's time is! We hope you found it as productive as we did. We already have some ideas started!

In the next week or so we will share the report from Brad Segal outlining what we discussed, including our vision for the Fashion District and top priorities for the Fashion District BID for the next 3-5 years. Staff will also begin fleshing out the priorities (with the help of some board members) and create an 18 month work plan.

We are all energized and ready to work. I hope you feel the same way!

Thank you, again!
Rena
